We have three alternates so we are actually going to continue the Hearing until April 25th but if anybody has a comment or that can't make it to April 25th, this was Noticed as being, that we would be hearing it at this meeting, so we would make an exception. But I, I did talk to one resident and they decided to come back but I don't know if there's a signup sheet, Mr. Alair? Okay, I have three people on the list .. So Martha Derhak? Okay, you can come up and speak...unless you want to come back on the 25th where the Council that will because three people that are going to be hearing that, that are not at the table right now. That's one of the reasons why we're continuing it. We can, we can supply them testimony but if, it is up to you if you want to say your piece now and then we can supply them testimony or you can wait until the 25th.

Ms. Derhak: Well, I understand there are other individuals on the list today.
